# 2022 TRASH BULK ITEM & RECYCLING INFORMATION

## Trash Collection

Trash is collected one time per week and collection day depends on where you live in the City. Make sure your trash is placed curbside the night before your collection day. **MISSED PICK-UPS: Call 610-447-7888.**

## Bulk Waste Collection

You can now place curbside one (1) bulk item per week to be collected on your collection day.

Bulk items are large household items such as furniture, bicycles, mattresses and box springs, and non-freon appliances such as washers, dryers and stoves (not refrigerators, freezers or dehumidifiers).

If you dispose of old carpets/rugs, you must cut them up into 3 or 4 ft. sections, rolled up and tied with twine for easy handling. Ten (10) carpet rolls = one (1) bulk item.

Mattresses and box springs disposal requirements: All mattresses and box springs must now be wrapped in disposable mattress bags before being placed at curbside for collection. These disposable mattress bags can be purchased at Walmart®, Home Depot®, Lowes®, Amazon®, etc.

### Materials Not Accepted for Bulk Collections:

Tires or rims, Electronic waste (TVs, computers, audio equipment, electronic games), oil, gas, automobile fluid waste, hazardous waste, construction waste, and remodeling items (such as intact windows and doors, cast iron tubs, and commercial waste).

## Single-Stream Recycling

Recyclables should be placed at the same location from which your regular trash is collected. Collection begins at 7:00 am, every Wednesday. If a major holiday is observed during any week, recyclables should be held until the following Wednesday.
