

Free Fall Clean Up!

Saturday, October 31, 2015 Disposal only, No collection.

A community benefit for residents of Birdsboro Borough, plus Robeson and Union Townships, provided by Pioneer Crossing Landfill.

This community clean-up day is not for normal household trash. That trash is collected weekly by the residents' trash hauler. This service is for clean-up items that are not included in normal weekly trash collection such as washers, dryers, refrigerators, freezers, air conditioners, water heaters, stoves and other appliances, and for large household items such as sofas, chairs, tables, bureaus, beds, televisions, and other bulky items. Appliances that contain freon, such as refrigerators, freezers and air conditioners, must have the freon removed prior to drop off.

These items must have a certified sticker indicating that freon is removed.

You must transport the clean-up items to the landfill.

This benefit is for individuals who reside in Robeson and Union Townships and Birdsboro Borough only. ID such as a driver's license will be required. It is not for businesses, industries or waste haulers.

Location: The entrance is on Route 345, a quarter mile south of Route 422.
