## TRASH & RECYCLING INFORMATION FOR THE RESIDENTS OF THE CITY OF POTTSVILLE

### Dear Pottsville Resident:

As you may be aware, J.P. Mascaro & Sons was recently awarded the residential solid waste and recycling contract for the City of Pottsville. This new contract will become effective, Thursday, March 1, 2007.

Contracted services will include unlimited weekly trash collection, (including coal ash) and recycle collection every other week. Recycling collection will begin the first week of the contract and continue every other week thereafter. Trash containers and recycling bins are to be placed at curbside the evening prior to your scheduled collection day. In addition to trash and recycling services, residents will be permitted to dispose of one large bulky item per month. Just like trash and recycling, large bulky items are to be placed at curbside the evening prior to your collection day.

**Recycle:** Acceptable recyclable items include brown, green and clear glass bottles, aluminum beverage containers, plastics labeled 1 & 2, bi-metal tin cans and newspaper. Newspaper must be bundled separately or placed in brown paper bags.

**Large Bulky Items:** One (1) large bulk item is permitted for collection from each home one time monthly. Simply place the large bulk item at curbside with your trash and recyclables. Acceptable Items Include: Sofas, desks, chairs, tables, mattress, box spring, dishwasher, hot water heater, washer, dryer, Christmas trees and similar items provided two (2) people can lift the item into the back of the trash truck. Items containing freon, such as refrigerators, freezers, air conditioners or dehumidifiers must have the freon removed prior to collection and must display a sticker on the appliance from a certified technician stating that the appliance is freon free.

**Non-Acceptable Items Include:** Household hazardous wastes, paints, solvents, herbicides, insecticides, chemicals, propane tanks, liquids, batteries, no loose piles, no tree stumps or yard waste, concrete, construction demolition debris or similar items.

**Holiday Schedule:** In the event a holiday falls during the collection week, all collections for the days after the holiday will be delayed one day. **J. P. Mascaro & Sons** observes New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving and Christmas as holidays.

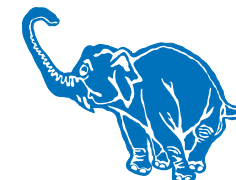

**Residential Carts:** Residential carts are available as an additional service option through contacting the City of Pottsville at 1-570-628-4417.

**Service Days:** Collection service days are identified on the back of this page. Any questions pertaining to your services or service days can be addressed by contacting J.P. Mascaro & Sons at the Berks Division **(1-800-334-3403)**.

**J. P. Mascaro & Sons** looks forward to the opportunity of providing you with the professional refuse and recycling services that you expect and deserve. It is our goal to meet and satisfy all of your waste removal needs.

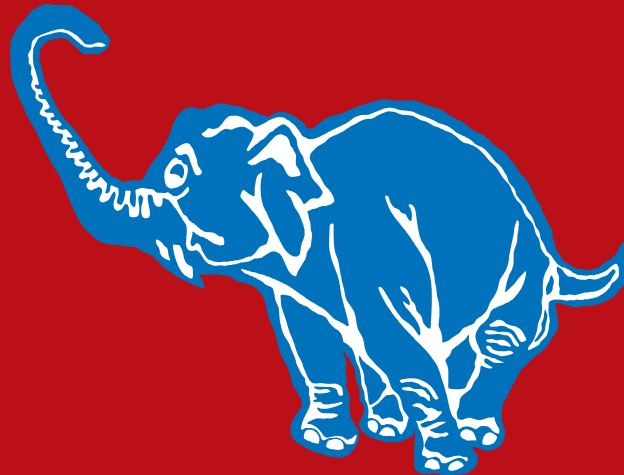

Thank you,

Berks Division  
J.P. Mascaro & Sons  
1-800-334-3403

## Recycling is Easy! These items can be commingled in your bin:

### Cans

Aluminum beverage cans. Steel and tin food and beverage cans. Please rinse the can and remove the lid or push it into the can. No need to remove labels. No foil or food trays, please!

### Glass

Food and beverage containers such as jars and bottles only! Clear, green or brown glass. Remove lids and rinse. Leave labels on. No light bulbs, mirrors, window glass, etc. Cans and glass may be mixed together in the same recycling container.

### Plastics

#1 and #2 food and beverage containers and laundry product bottles. The number is on the bottom of the bottle. Most soda, milk and water bottles fit this category.

### Newspapers

Newspapers, including all the inserts that come with the newspaper, and magazines may be recycled. Tie in bundles or put in paper grocery bags and place in or next to the recycling bin.
