## IMPORTANT INFORMATION

June 6, 2015

Dear Valued Customer,

As we approach the summer season, I want to thank all of our customers for their loyalty and patronage. This recent season posed many challenges with excessive waste generation and the continuing struggles with the highway regulations and industry challenges with the new emission efficient trucks. We have purchased 15 new pieces of equipment to lessen the burden of the challenges associated with stringent highway regulations and equipment maintenance challenges associated with the manufacturers and dealers.

Our new “one of a kind” material recovery facility will be opening shortly. This will provide our customers with a “one stop” approach to their recycling needs. You will receive a separate marketing piece on this facility in the near future. We are confident you will share our enthusiasm for this project.

Plans are under way for the construction of a “first class” little league complex in the memory of Francesco A. Mascaro, one of the company owners who passed away in 2013. The \$1,000,000 complex will be constructed in the founding community of J. P. Mascaro & Sons and will be operated by the Methacton Baseball Association.

Lastly, set aside December 4th for the Customer Appreciation Holiday Party at the corporate headquarters. Information for this day can be found on our website [jpmascaro.com](http://jpmascaro.com). An invitation will be forthcoming in early November.

Again, thank you for your patronage and have a great summer season!

Sincerely,
