SUBJECT: J. P. MASCARO & SONS WINS THREE MUNICIPAL

CONTRACTS VALUED AT \$2.7 MILLION

Concluding a successful bidding season in which it has already been awarded over \$60 million of competitively bid municipal contracts, local waste service company, J. P. Mascaro & Sons, was recently awarded three more governmental contracts valued at \$2.7 million.

The first contract is a three-year contract with Pittston Township in Luzerne County, Pennsylvania, for residential waste collection, recycling and disposal services. The other two contracts are in New Jersey. One is with Milford Borough and the other is with Bernards Township. Both are bio-solids management contracts with Mascaro being responsible for the collection, transportation and disposal of sludge from municipal waste water treatment plants.

Addressing the contract awards, company President, Pat Mascaro, said, “We are pleased to add three new municipalities to the growing list of governmental customers for whom our company provides waste services. Competitively bid and awarded municipal contracts are an important component of our company’s business and we look forward to continued success in that sector.”

J. P. Mascaro & Sons, with over fifty years of industry experience, has the operational and facility infrastructure, including collection divisions, landfills, transfer stations, recycling centers and compost facilities, that enables it to be a major provider of municipal and governmental waste services in this region.

For more information on J. P. Mascaro & Sons, its dedicated management team and its capabilities, services and facilities, visit the company website at www.jpmascaro.com.
