

# On January 11, 2023, Rose Valley Borough residents single-stream recycling collected by J.P. Mascaro & Sons

J.P. Mascaro & Sons will pick up the recyclables with a truck that will resemble a trash truck. Since all the recyclables will be commingled, there will be no need to use a compartmentalized truck. The collection truck has a compactor, so more material will fit in it allowing the hauler to be more efficient. The materials will then be taken to an approved recycling center to be sorted and recycled. **Holiday Schedule:** Collection is on Wednesday except holiday weeks. If a holiday lands on or before Wednesday collection there will be a one (1) day delay.
