**SUBJECT:** ALLEN TOWNSHIP AWARDS \$2 MILLION TRASH &  
RECYCLING CONTRACT TO J. P. MASCARO & SONS

---

---

Allen Township Council awarded a three-year, \$2 million, waste collection and recycling contract to local waste service company J. P. Mascaro & Sons. This contract has 3 additional one-year options bringing the potential value of the contract to \$4 million. The Allen Township service collection will start on June 1, 2022. Mascaro will serve Allen Township residents with once-a-week curbside trash and bi-weekly single stream recycling collection. The service will be performed out of Mascaro's growing Allentown operating division that serves many municipalities and customers in Northampton County.

Speaking on the contract award, Director of Sales and Marketing, Sam Augustine, said: "Our company continues to grow and greatly appreciates the contract award, and we look forward to serving the Township residents."

J. P. Mascaro & Sons is a local, family-owned company, founded and headquartered in Montgomery County, Pennsylvania, and is one of the largest and most successful privately-owned

waste service companies in the country. The Mascaro company was founded by Joseph P. Mascaro, Sr. more than 50 years ago, and through the efforts of his five sons has grown tremendously and succeeded in a difficult industry. A third generation of Mascaro family members are now in key management positions and are looking forward to carrying on the business started by their grandfather.
