**Subject: J. P. MASCARO & SONS WINS HAULING & DISPOSAL OF  
SCREENINGS, GRIT & DEWATERED MUNICIPAL SEWAGE SLUDGE**

Local solid waste company J.P. Mascaro & Sons has been awarded a three-year contract, with the potential for three additional option years, for the hauling and disposal of screenings, grit, and dewatered municipal sewage sludge. This contract was granted by Jim Thorpe Borough in Carbon County and will be handled by the Wyoming Valley Division of J.P. Mascaro & Sons.

Pasquale Mascaro, president of J.P. Mascaro & Sons, stated, "Our company has a strategic infrastructure of transfer, recycling, composting, and disposal facilities in the region. This enables us to be a major provider of services, such as those we will be supplying to Jim Thorpe Borough. We are pleased to serve another local governmental body."

J.P. Mascaro & Sons is a local company based in Montgomery County, Pennsylvania, and is the largest privately owned solid waste company in Northeast and Southeast Pennsylvania. Founded by Joseph P. Mascaro, Sr., the company is now operated by his five sons. Additionally, the company benefits from an emerging third generation of family members who will help guide its future.
