**DATE:** April 20, 2020

**SUBJECT:** **J. P. MASCARO COMMUNICATES COVID-19 SAFETY MESSAGE**

---

J. P. Mascaro & Sons has increased its employee awareness program related to the COVID-19 health crisis. In an effort to be proactive and protective of its work force, Mascaro is making available for its employees' masks, hand sanitizers as well as providing daily lunches for its front-line employees.

Company President, Pat Mascaro, indicated the employees are our greatest asset, and we want to assure they can do their essential jobs in a safe and orderly manner. Mascaro indicated an "Employee Awareness Sign" has been placed on the dashboard of hundreds of Mascaro vehicles reminding the employees of a need to be constantly aware of certain necessary hygiene.

Mascaro indicated his family was extremely proud of the commitment of its people during this difficult period of time.
