**SUBJECT: MASCARO ANNOUNCES HIGH-PAYING JOB OPENINGS FOR CITY
OF ALLENTOWN RESIDENTS**

J.P. Mascaro & Sons is proud to announce that Allentown City Council voted to approve a long-term service contract award to our company for the collection of City residential waste and recyclables starting June 1, 2025.

Our company, a privately-owned local company, will service the City contract from our Lehigh Valley/Allentown Division at 315 Basin Street, with 21 new collection vehicles and 60 new employees.

The Allentown contract is the largest municipal contract of its type in Pennsylvania, and the City has a well-earned reputation for having one of the most comprehensive and efficient waste collection and recycling programs in the country.

Company President, Pat Mascaro, said, *"Our company is thrilled to be able to serve the City and its residents, and we look forward to the June 2025 start date."* Mascaro added, *"This contract is a natural for J. P. Mascaro & Sons because of our experience, business in the region, local infrastructure and resources."*

Under the contract, Mascaro will provide City residents with twice-a-week trash collection, once-a-week recyclables collection, twice-a-month yard waste collection, and one bulk item per week. To effectively and efficiently fulfill our obligations, we are hiring Rear Load (Class B) CDL drivers (up to \$91,000.00 in year one!) and Drivers' Helpers (up to \$61,000.00 in year one!).

We will host hiring events the following days at our Lehigh Valley/Allentown Division, located at 315 Basin Street Allentown, PA 18103.
