**SUBJECT: MASCARO WINS \$400,000 TRASH COLLECTION CONTRACT
TO SERVE DUPONT BOROUGH, LUZERNE COUNTY**

Local waste company J. P. Mascaro & Sons has been awarded a two-year service contract valued in excess of \$400,000 to serve the residents of the Borough of Dupont, Luzerne County, Pennsylvania, starting January 1, 2020.

Mascaro is Dupont's first private contractor, as previously, the Borough provided the collection services in-house. Sam Augustine, Mascaro's Director of Sales and Marketing, noted, "We are pleased that the Borough selected our company to privatize its collection services. Dupont is one in a long line of municipalities that have selected our company to privatize their collection services based upon our experience and service record, and we look forward to serving Dupont's residents for the next two years." Mascaro's Wyoming

Division will be responsible for providing once a week trash collection services to the Dupont households.

J. P. Mascaro & Sons is a local company, founded and headquartered in Montgomery County, Pennsylvania, and is the largest privately-owned waste company in the Northeast. The company was founded by Joseph P. Mascaro, Sr. and is operated by his four sons. Today, the company has the benefit of an emerging third generation of family members to guide the company into the future. The Mascaro Company possesses a strategic infrastructure of recycling, transfer and disposal facilities in the local region that has enabled it to be the major provider of municipal services in the area.
